It's the quick clean-up solution for warehouses, small factories, car parks, retail stores, malls, schools, hotels, office buildings, bus/railway stations, convention centres, automotive, garages and in private homes. The very rugged corrosion proof frame makes this manual sweeper very robust.

5 times faster than a traditional broom, saving time and costs. The hopper is very light, strong and equipped with a carrying handle for easy emptying. The SM 800 sweeper keep your premises presentable without hard work.
